

Divergent - Applying (Make Connections) - Personality Quiz

Name: _____

The Divergent factions are five groups in a post-apocalyptic Chicago society: Abnegation (selfless), Amity (peaceful), Candor (honest), Dauntless (brave), and Erudite (intelligent), plus the outcast Factionless. Your task is to make a very short personality quiz, with the results being based on these factions. Give your responses, and then provide the explanation as to WHY that response connects with the faction.

Here is an example (with the explanation provided)

What is your dream vacation?

- A) I probably wouldn't go on vacation – I would just stay home and help out the family
- B) I would do a friends' weekend away at a yoga retreat
- C) I would go to Europe
- D) I would go on a skydiving vacation in the Caribbean
- E) I would go camping in the Canadian Rockies
- F) I'm not too sure. Maybe a road trip somewhere? Maybe skiing? I'd have to think about it

Explanations

- A) Because they are **selfless**, they wouldn't put their own needs ahead of anyone else's needs, so they probably wouldn't go on vacation, because that would feel too 'selfish'. Someone in ABNEGATION would likely choose this response
- B) Because they are **peaceful**, they would want to do something calm and relaxing, but also socially calm, in an activity that brings people together. Someone in AMITY would likely choose this response
- C) Because they are **honest**, they would likely want to go somewhere that is rich in history, because they probably like learning about facts, and circumstances. Someone in CANDOR would likely choose this response.
- D) Because they are **brave**, they would want to do something extreme and exciting. Someone in DAUNTLESS would likely choose this response
- E) Because they are **intelligent**, they would want to do something that is the best 'bang for their buck' – it would be financially responsible. They would want to have fun, but probably be economical about it, as that's a smart financial decision. Someone in ERUDITE would choose this response.
- F) Because they are **unsure**, they can't really commit to a decision. Someone who is FACTIONLESS would likely choose this response.
